### WHAT A YEAR!

There is no doubt that 2021 has been a very unique year. Busabout wish to thank all of our dedicated staff and customers for adapting with us along the way and contributing toward making our services as safe and reliable as possible.

### ELECTRIC BUSES

In December 2021, Busabout has received five new electric buses to add to our fleet. They are quiet, comfortable and are contributing to the zero emission bus network. These buses are all airconditioned and low-floor wheelchair accessible buses. The addition of these buses ensures that our customers have access to more services, and experience a more comfortable journey.

### BACK TO SCHOOL 2022

With schools returning on 28<sup>th</sup> January 2022, please ensure that your child has a valid Opal card for travel, and **tap on and off for each journey**. Opal patronage data is essential, and allows us to analyse our services and network to ensure we meet the needs of the local schools and community. It will also assist us with contact tracing during the current pandemic if required.

To apply for a School Opal card, purchase a School Term Pass, or report a lost, stolen or damaged School Opal card visit:

[www.transport.nsw.gov.au/ssts](http://www.transport.nsw.gov.au/ssts).

Child/Youth Opal cards can be purchased online or from an Opal retailer if you are not eligible for a School Opal card.

### WANT TO WORK WITH US?

Like our region, we too are growing quickly. Busabout are on the lookout for Bus Drivers and Mechanics to join our team. If you are interested or would like more information, please call us on 02 4631 4200 or visit us at our Smeaton Grange depot.
