COVID-19

So far, 2021 continues to be a very trying time for all. Busabout has taken the threat very seriously and has adopted many measures to mitigate the risk of the virus for our staff and customers, including operating according to the NSW Government directives and advice. Some initiatives currently in place include:

- Green “sit here” stickers now on seats to guide customers to socially distance when travelling on buses
- Blocked off Opal reader next to the driver, and the first row of seats blocked off to keep our team safe
- Cashless fares only effective March 2020
- Upgraded driver protective screens to keep our team safe

Please remember to wear your face mask when waiting at bus stops and whilst travelling on public transport. Failure to do so may result in fines by the NSW Police.

We wish to thank all of our dedicated staff and customers for adapting with us along the way and contributing toward making our services as safe and reliable as possible.

SERVICE ENHANCEMENTS

With the rapid residential growth in the Macarthur region, Busabout have developed service enhancements to add additional services and cater for the higher demand. Customers can now benefit from new dedicated school services for newly opened Denham Court PS, commencing Term 3 2021.

More information regarding these service enhancements and any other upcoming changes can be found on our website www.busabout.com.au.
